## Family room with kitchenette

The Family room is a dedicated area for families to rest. It includes a computer, chairs, dining table and kitchenette. A fridge and microwave are available for your use.

### Important

The hallway kitchenettes are reserved for staff to prepare special foods for patients.

## Medication carts

Please do not disturb the nurse at the medication cart so that he/she may prepare your medications safely.

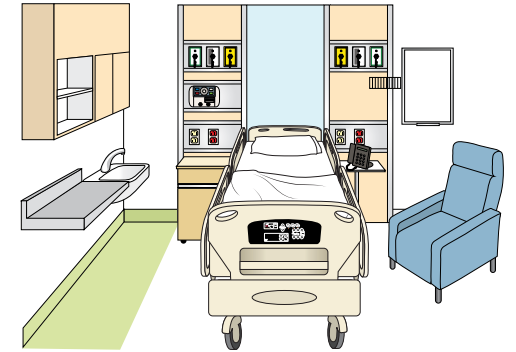

## Patient room

Each single-patient room includes a private washroom with shower, television, WIFI connection, storage area, telephone, sofa, recliner and a whiteboard that can be used to communicate with the staff.

### Important

The cabinets and sink on the side of the bed are reserved for staff use. Please use the patient designated storage area and sink in the bathroom.

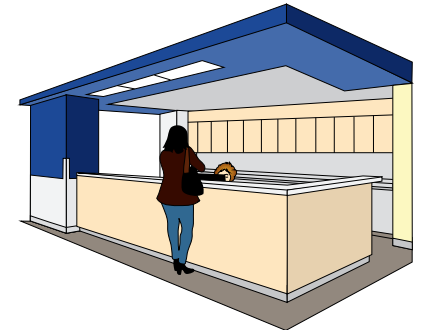

## Work stations (Staff use only)

Telephones and computers in the hallways are for staff use only. Please use the computer in the Family room.

## Nursing stations

If you have any questions, please do not hesitate to contact the nursing staff and unit coordinator available at the nursing stations.

## Public washroom

To protect you, the washrooms in the patient rooms are reserved for patients only. Visitors should use the public washroom located next to the Family room.
